

# Competitive Dance Tryouts

Come join one of our award winning competitive dance teams!

- Competitive teams are intended for serious dancers who want to improve their dance skills and work in a team environment. You will need to practice at home 3-4 times a week to be in the competitive program.
- Team placement is based on skill level, style and age following a mandatory audition process.
- Our teams compete at 3 metro competitions in the spring and nationals in Brainerd in June.
- Our competitive program will require a higher level of commitment from both dancer and parent.
